	Actions from the Meeting		
1	An excellent range of logos were created. The winning design was by Jonny which will be displayed at the top of the E-safety page. The other designs will also be added to the page.		
	Action: Mr McAdams to add to website.	Mr McAdams	
2	Each class champions will create their own E-Safety box for any concerns or issues to be reported. (A shoe box, cereal box or tissue box would be a suitable size.) Pupils can have the option of putting the concern as private (which will be shared with the E-Safety Champions, class teacher and Mr McAdams) or public (which will be shared with the class)		
	Action: E-safety champions to decorate their own class box and clearly label it as e-safety. These will be shown in assembly and their purpose explained to the school.	All E-Safety Champions	
3	Each class will produce a tip on how to keep safe online with some advice to explain it. These will be shared on the web page and shown in assembly. They will then be on the website for anyone to use if they need help.		
	Action: In a pair, create a e-safety tip. It can be about anything you think would help other pupils to keep safe online. You can make a poster, write an idea, draw a picture... your choice!	All E-Safety Champions	

Date and time of next meeting: Thursday 2nd November 12:15pm (in the Junior Library).
