Monday 28th September 2020

In our learning this week we will be:

- Continuing a daily number focus with numbers 6 to 10. (We managed to fit 5 in this week as well).
- Starting daily phonics. This week we will be introduced to the phonemes of s, a, t, p.
- Staying for lunch and meeting the other half of our class.
- Having another PE lesson and getting changed this week. We hope you have all been practising!
- Making 2d shape pictures.
- Having the Marvellous Middle for our topic 'Super Me'. The children will be discovering that Ice Girl has come and frozen their toys. Please do not tell them about this, as it will spoil their surprise and learning. This will be on Friday.

Reminders:

- Remember you do not need to provide a lunch for your child as you are entitled to a free one from school.
- Also please note that if your child wears earrings they need to be removed by you for PE. We will be having PE on Wednesdays. Hair should also be tied back.
- Please make sure your child has a jumper or cardigan everyday as we currently have all the windows and doors open all day whatever the weather due to Covid19 guidance.

Next week's times are slightly different:

Kestrel morning children - 8.30am to 11.50am

Kestrel afternoon children - 11.35am to 2.55pm

Barn Owl morning children - 8.40am to 12.00pm

Barn Owl afternoon children - 11.45am to 3.05pm
