Monday 12th October 2020

In our learning this week we will be:

- Consolidating our learning on s, a, t, p, i, n, m and d for our daily phonics.
- Checking the children's sound and word recognition in preparation for sending home sound and word cards at the end of next week.
- Continuing a daily number focus with numbers 11 to 15.
- Introducing adding using Mr Greedy gobbling up all the numbers.
- Finding out about Autumn and going on an autumnal walk looking for the signs and changes in colour.
- Thinking about the importance of 'Our Rights' in our PSHE circle times.
- Recognising that we are growing and changing, and relating this to the Bible and how Jesus also grew and changed. We will share the story of Jesus in the Temple, when Jesus was a boy.
- Continuing to have fun with the African drums for our music lesson.

Lost Property

Items are starting to go astray. Please can we ask that everyone checks that they have the correct jumper/cardigan as they easily get mixed up. We will always do our best to return items but they need to be labelled in order for us to do that and unfortunately there are many items that are still without names. We do have an unnamed cardigan should you be missing one. There are currently no other items in school that we can find. Sending messages directly to one another via the WhatsApp group may help you be reunited.

Book bags and Coats

Please can we ask that you make your child's book bag recognisable to them. You are allowed to decorate the book bags as much as you like or alternatively one small keyring. Something to make it stand out to your child amongst the other 29! Also many children have the school coat, please put a small keyring on the zip so that your child can easily tell which is theirs. Now is also an excellent time to start teaching your child how to do up their coat independently.

Homework

- Daily reading of your child's reading book.
- Practise putting on their coat and doing it up independently.
