Don't Give Up And Take A Break!

Save Our
Library And
Read The
Book's!

My New Year's Resolutions 2021

Home: At home I would like to stop giving up when I find things hard. Like for example home schooling, cycling and baking.

School: At school I would like to get better in English by grabbing the readers attention, using more described words and writing more.

Community: I will use the library more so it doesn't get destroyed and turned into flats.
