

A HAPPY LITTLE HARVEST SONG

- 1 We've got a happy little harvest song,
Everyone, sing together now,
We're here to celebrate, the work is done,
Now that harvest has come.
- 2 Planted, watered,
Cared for, ripened in the sun,
Gathered, sorted,
Food for everyone!
- 3 Joyful our song,
Grateful we celebrate,
Here at the harvest table.
Thankful we come,
Sharing a special day,
Singing our harvest song.

Sing the above as a round once through

Repeat verse 1
