

Our Curriculum Intent

We believe that our curriculum should be enjoyable, rich, varied and challenging in order to engage and excite our children. We strive to meet the needs of all our pupils and ensure each and every child is able to fulfil their potential. We have developed a progressive, layered, thematic and creative curriculum which involves teaching the key skills of the National Curriculum. This is both a skills and knowledge based approach. The intention is to give children and teaching staff opportunities to explore their own creativity and to give the children more purpose for their learning. We aim to create independent thinkers who take ownership over their education, developing strong life-long learning behaviours of perseverance and resilience.
